

When commercial truckers have insurance with IAT Insurance Group, our experienced Loss Control Specialists become an integral part of your operation. For more than 50 years, our company has been a trusted source for commercial transportation coverage, adding value to our customers and business partners' practices. We focus on the needs of the transportation industry and we are fully committed to providing our clients with the tools to improve safety and reduce risk.

FEATURES, BENEFITS AND SERVICES

Our Loss Control team is strategically located across the country to meet the needs of our customers. We conduct on-site safety and loss control assessments to help you, our partner, better manage exposure to loss.

We develop recommendations to help manage exposures and support your D.O.T. compliance efforts with focused, consultative assistance for our clients regulated by Federal Motor Carrier Safety Regulations.

In addition, we provide a quarterly Safety Gazette to keep safety issues front and center.

IMPROVE YOUR OPERATIONS

- Increase the safety awareness of your employees
- Identify risks and loss exposures
- Expertise in managing and reducing exposure to loss
- Analysis of your current loss trends to reduce and control losses
- Assistance in developing Fleet Safety Programs
