

FLEET

11+ Power Units

We work to support the people and businesses that keep America moving – and like you, we don't plan on slowing down. That's why we teamed up with IAT Insurance, one of the largest trucking insurers in the industry. Their 50+ years of experience coupled with our expertise positions us to fulfill the unique needs of your business. Our Fleet program is designed for contract and common carriers with 11 to 250 power units. Outside of our Fleet program, IAT Retail Transportation has additional programs for risks with 1 to 10 power units for owner-operators needing non-trucking liability/physical damage.

WE SUPPORT FLEETS WITH:

- 11-250 Power Units
- For-Hire Motor Carriers
- Local, Intermediate and Long-Haul
- Dry Van, Refrigerated and Flatbed Operations
- Intermodal and Agricultural Operations

PAYMENT PLANS

- **11-19 Power Units:** Annual pay, 25% down and nine payments with monthly reporting options
- **20+ Power Units:** Monthly reporting - miles, revenue, per unit

INSURING TRUST

IAT Insurance Group (IAT) is a privately-held property and casualty insurance company in Raleigh, North Carolina providing a wide range of specialized insurance and surety products to meet the needs of individuals and businesses. As an organization, we leverage our experienced leadership, sound analytics, proven operating platforms and extensive risk capabilities across the entire enterprise to deliver specialized, sustainable solutions for our customers.

TOP-NOTCH LOSS CONTROL SERVICES

Before a driver in your fleet turns the ignition key, our experienced team of Loss Control Specialists equip our policyholders with the tools needed to improve safety and reduce risk.

Partner with us to assess loss exposure and develop custom safety programs. We help mitigate loss by providing:

- Onsite safety assessments
- A website with an extensive collection of complimentary driver safety videos and fleet resources to help reduce and prevent losses
- Free unlimited access to online driver training programs
- A safety program library with templates to assist in the development of safety policies and procedures
- Technical experts strategically located throughout the country to assist our customers
- Consultation for drivers regulated by Federal Motor Carrier Safety Regulations
- Support for DOT compliance efforts
