

**INSURANCE
GROUP**

Transportation

IAT Insurance Group's Commercial Transportation unit is the 6th largest writer of truck coverage in the industry. With a range of products and services specially designed for trucking customers, we offer customized coverages, flexible payment options and loss control service to support the unique needs of our insureds.

TRUCKING SOLUTIONS

Competitive transportation products and loss control services for trucking businesses operating 1 to 250 power units hauling dry van, refrigerated, intermodal, flatbed commodities, and more.

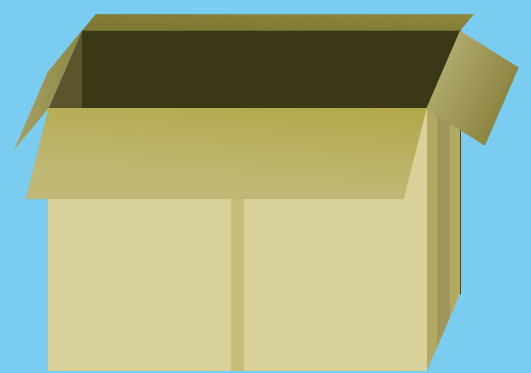

FRANCHISED DEALERS

IAT DealerPack, founded in 1973, provides dealership insurance nationwide underwritten by Harco National Insurance Company.

MOVING AND STORAGE

For more than 40 years, IAT TransGuard has focused on the unique needs of the moving and storage industry. We understand that moving companies come in all shapes and sizes and we have the ability to create a program that fits almost everyone.

INDEPENDENT CONTRACTOR

Provided by TransGuard, our Independent Contractor program offers a complete line of comprehensive, competitively priced coverages, geared towards helping Independent Contractors fulfill the insurance requirements of the motor carriers they contract with..
