

As one of the largest insurers for the transportation industry, IAT Transportation offers a broad array of competitive products and loss control services to meet the unique needs of the industry. IAT's Retail Transportation Program is intended for truckers for-hire operating within a local, intermediate and long-haul radius. Our Fleet program is designed for contract and common carriers with 11 to 250 power units. Outside of our Fleet program, IAT Retail Transportation has additional programs for risks with 1 to 10 power units or owner operators needing non-trucking liability/physical damage.
