MANUFACTURING AND DISTRIBUTOR RISKS

Specialty Binding offers over 50 Manufacturing and Distributor classifications for you to quote and bind without underwriting approval in Unity. Our experienced Underwriters are able to review and approve tougher classifications based on individual risk characteristics, with the goal of helping you write more business with IAT. Take a look at examples of risks we can write:

IAT is a market for many light Manufacturing and Distributor classes for both premises and products liability coverage. In Unity, you are able to quote and bind many classes including products liability within your authority. Higher hazard product classes are able to be referred for products consideration, or quoted excluding products within your authority.
