

IAT Insurance Group's broad licensing authority and national access helps our program partners achieve sustainable competitive advantage for unique insurance products and markets. We welcome a wide array of business and can facilitate capacity for new or existing markets.

Our broad distribution channels make IAT a prime market for programs with premium volumes of \$5M or greater. IAT Programs provides alternative risk transfer solutions, risk sharing, and fronting arrangements.

Create and manage a carrier partnership that allows you to build and grow a specialty program in accordance with your business needs. We provide support, oversight and authority nationwide to create the maximum competitive edge.

IAT Insurance Group operates through eight domestic companies, with A. M. Best A- ratings, on an admitted and non-admitted basis in all 50 states.
