Moving & Storage

At IAT, we don't believe in one size fits all solutions. We craft solutions that evolve as our industry and insureds' needs do. That's why we've been a top insurance carrier in the moving and storage space for more than half a century. With specialized underwriters coast to coast, we work directly with agents to tailor insurance coverage to protect operations that move and store household, military household, office, and industrial goods.

Coverage Available:

IAT's package policy includes the following coverage on an admitted basis, as well as a supported Umbrella policy:

- Auto Liability and Physical Damage
- Cargo, Warehouse, and Equipment
- Commercial Property
- Crime Coverage
- General Liability

**Coverage is available in all states except MA & HI*

What Sets Us Apart?

Our program is designed for both independent and vanline customers, offering tailored coverage unique to the evolving moving and storage industry. Here are just a few program highlights:

- Single occurrence deductible regardless of the number of coverages impacted.
- Blanket Additional Insured Auto and General Liability forms that satisfy many requirements when an insured completes a move at a third-party premises.
- Expanded Medical Payments for "Temporary Workers."
- Transit and Storage Gap Coverage to comply with Department of Defense (DoD) military household goods moves regulations and requirements.
- Flexible direct bill plans to meet our Insured's needs.

Broad Risk Appetite for Evolving Risks

We work with best-in-class household goods moving and storage companies across the U.S. to find solutions unique to their ancillary operations, such as:

- Final mile delivery
- Day movers
- Warehousing
- Record storage
- Self storage
- General freight
- Hospitality logistics
- Shredding
