

Excess and Surplus Binding

Artisan Contractors

Working in partnership with

Insurance Answers *Together*®

IAT's Excess and Surplus Binding Authority division offers many Artisan Contractor classifications for you to quote and bind within your contract authority in Unity. **To help grow your book of business, we've decreased contractor rates on over 60 classes to provide you with even more competitive pricing.** For renewals, when accounts rate below the expiring rates, we kindly ask agents to manually adjust renewals to match expiring rates. Take a look at some of our highlighted classifications:

Targeted and Preferred Risks with Decreased Rates

- | | |
|---|--|
