

## IAT Multi-Factor Authentication (MFA) Registration Instructions

This document describes how to enable Multi-Factor Authentication (MFA) for your IAT guest account.

1. If you have not already set MFA/2FA up, you will be prompted to do so upon logging in.

2. There are two available options to verify MFA: through an authenticator app or by phone.

3. If you prefer the phone option, enter your phone number to receive codes texted to your device.
